

June Recital 2025

Our goal is to have every dancer step onto stage with confidence. We have decided to add an additional rehearsal this season. While we are still solidifying our rehearsal times and schedules, we intentionally are giving these dates to you as early as possible. If you are choosing to commit to June Recital we ask that you keep these dates clear and reserved for your dancer(s) until precise timing is released. Attendance to these rehearsals is required for participation in June Recital and also will set your dancer up for success in being comfortable & confident on stage.
